

25<sup>th</sup> November 2011

Dear Parent/Guardian,

**Re Industrial Action by several Teacher and Support Staff Unions on Wednesday 30<sup>th</sup> November 2011**

As you may be aware, several Unions have voted for a day of industrial action over the proposed changes to Pensions.

Not all staff will be on strike on this day; however, non-striking teachers employed by the school and visiting supply teachers will not be able to provide cover for striking colleagues. Consequently, for Health and Safety reasons, the school will be closed to all year groups on Wednesday 30<sup>th</sup> November 2011.

I sincerely apologise for any inconvenience that this may cause.

The school will reopen for all students at the normal time on Thursday 1<sup>st</sup> December 2011.

Yours sincerely,

Mr D A Taylor  
Executive Headteacher
